## OIL PIPELINE TARIFF FILING

Dear Mr. Tierney:

In accordance with MPSC Order No. 6893 (Indexing), Phillips 66 Carrier LLC ("P66C") is enclosing herewith for filing with the MPSC three (3) copies of the following P66C tariff with a requested effective date of August 1, 2018:

### **MPSC No. 2.2 Cancels MPSC No. 2.1**

The rate in MPSC 2.2 is being modified consistent with the May, 2018 F.E.R.C. Order which increased ceiling rates by 4.4087% (PPI-FG + 1.23 cpb). A schedule showing the calculation is included.

P66C has historically moved products for Phillips 66 Company, ExxonMobil Company, Cenex Harvest States Cooperative (CHS) and the Burlington Northern Railroad. Refineries having access to P66C's pipeline include Phillips 66 Company and ExxonMobil Company at Billings, Montana.

Attached as Exhibit I & II are the list of the Montana Intrastate Shippers impacted by this increase and the Index calculation for all rate increases.

P66C requests that any protests to this tariff filing be faxed to my attention at 918-977-8537.

I hereby certify that I have on or before this day sent copies of the publication listed herein to all subscribers thereto via Email, first class mail or by other agreed upon means of transmission.

Please contact me should you need any other information.

Very truly yours,

A handwritten signature in black ink, appearing to read "Alan Fairwell".
